

ART AGENCY VERA CHRIST

ART PROJECTS – ART MANAGEMENT – ART TOURISM

Our range of topics:

art topics – exhibitions – art exposures – art performances with a culinary event
contemporary art – cultural tourism programs – events with a regional aspect
the personal contact to the artist and curator
art where you want it, event tours to artist's studios – museums – galleries

We can provide you a wide array of offers and organize

– your cultural program – the event – the art tour – the art ambience – individual
compositions

The Kunst-Agentur Vera Christ arranges profound contacts in the fields of art and culture. Cultural tourism und art procuring are realized with personal commitment and a creative ambition. Information and a personal experience (e.g. meeting the artist) offer a fascinating combination possibility.

Our idea for you:

To be informed and being lead to special topics and to experience the enjoyment and the personal, inner gain through art - all in a relaxed atmosphere. [Let yourself get carried away by your own discovery and find new perspectives with regard to art by means of our tours.](#)
